Building for Tomorrow 2016...

Imagine if we paid off our \$1.4 million debt on our building. Imagine the \$6,250 monthly mortgage payments being redirected to other vital and needed ministry. Last year we paid interest only on our mortgage debt and now God has opened the door for us to pay down \$200,000 on our mortgage debt. A Gracepoint donor has given \$100,000 towards our mortgage paydown and challenged the rest of us to collectively match this. You can pick up a letter and giving card at the Welcome Centre, if you didn't get one over the past couple of weeks. Pray what God would have you do in this endeavour. Please return your 'Building for Tomorrow' envelope by **next Sunday June 26th**.

Intern Housing...

We are still potentially looking for 1-2 Gracepointers to open their homes for 5 or 10 months to house a male intern who will be serving in our student ministry department September to June. These interns are coming from Germany and England to serve our church and community. If you are interested in hosting a male intern, please contact Kim Savage at kim@gracepoint.ca
